DEVELOPMENTAL and PROGRESSIVE STUDIES FOR FLUTE

A NEW 12-book series...50 years in the making

Compiled & Edited by
Bootsie K. Mayfield

These highly anticipated volumes from the studio of legendary flutist Cavally (edited by student and protégée Bootsie K. Mayfield) represent a complete and proven curricula from an internationally recognized teacher and performer of the flute. Use all three volumes (Tone, Velocity, Scales) along with the corresponding volume of Melodious and Progressive Studies for maximum progression and development!

for Flute join his famous Melodious and
Progressive Studies for Flute as some of
the most important repertoire available
to student and professional flutists.**

Bootsie Mayfield

HAL•LEONARD®

"Cavally's very personal teaching philosophy comes across quite clearly both through the editorial notes and the exercises themselves. This is a slightly different approach to building a flute technique, and if you investigate further you will be richly rewarded."
